Declaration of RoHS Compliance 

Gidel Ltd. certifies that all Gidel products comply with Directive 2011/65/EU RoHS (Restriction of the use of certain Hazardous Substances (RoHS) Directive (Recast)).

Gidel products **do not contain** mercury, hexavalent chromium, PBB and/or PBDE in a concentration greater than 0.1% by weight of homogeneous materials.

Please note that Gidel products include parts that are exempt from Article 4(1) restriction according to Annex III of the Directive 2011/65/EU. The exempt parts are:

1. Electronic ceramic passive parts and solders that may contain lead as defined by exemptions 7(c)-I, 7(a) and 15.
2. Connectors with electrical contacts that may contain cadmium as defined by exemption 8(b).
